Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Monday 11 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain clearing overnight then dry, bright and cold Tuesday.

This Evening and Tonight:
Cloudy with rain this evening, some heavy and likely turning to snow on higher ground before dying out overnight. Then dry with skies clearing later and becoming cold with a frost and a risk of ice. Minimum temperature -1 deg C (30 deg F).

Tuesday:
Cold, frosty start, then mostly dry and bright. Thicker cloud over Fermanagh in afternoon with a little light rain, but rain and hill snow for many in evening. Maximum temperature 5 deg C (41 deg F).

Outlook for Wednesday to Friday:
Cloudy and quite breezy on Wednesday with rain, some heavy, especially in northeast. Drier, brighter weather will follow Thursday with some afternoon sunshine. Dry, bright Friday morning then rain returning.
